

# TIPS AND TRICKS

## 5 Signs Your Child May Be Ready to Potty Train:

- 🍃 They begin to show an interest in the bathroom or toilet
- 🍃 They want to be changed immediately following going in their diaper
- 🍃 They tell you they need to go even if they don't go once you get them on the potty
- 🍃 Have them follow mom or dad into the bathroom and question or mimick the process
- 🍃 Your child stays dry for hours throughout the day, and has dry diapers after naps
