

TIPS AND TRICKS

Ways to Make Potty Training Fun for Your Child:

🍃 Read the Help-A-Potty-Mess book, and other potty training books with your child to prepare and build excitement with them.

🍃 Get them underwear with their favorite characters, princesses, or superheroes, this will encourage them and get them excited for the process.

🍃 Use rewards and other incentives that will motivate them to accomplish the potty training process.

🍃 Have a potty party with your family and let your child announce they are starting to potty train!

🍃 Use apps! There are so many potty training apps that are both fun and educational. This can help your child understand potty training in an unexpected way.

🍃 Be positive, and always encourage your child to do their best
